DEED—Mrs. James R. Warren, wife of our worthy Postmaster, died here on Tuesday morning, at 10 o'clock, in the 68th year of her age. She had been more or less an invalid for some years, but the disease which caused her death was a severe attack of pneumonia combined with bilious fever. She was an earnest member of the Christian church. This has passed away a woman of many virtues and Christian graces. She leaves a husband and four children to mourn a loss which is her decided gain. Her funeral was held on Monday following by Rev. S. H. King, at the Christian church, to a large audience of friends and relatives, who attended to pay that last tribute to her worth and memory.

Our people are once more blessed with good health, since the annoying "chills" have taken their departure, for the time being.

A BUSINESS children, foul with the nests of swallows, created a big light and a monetary alarm in the east end of town, the other night, just after dark.

Died—Mr. Hiram Peoples, living about two miles from town, died of old age, at his residence, a few days since. He was 80 years of age, and a soldier in the war of 1812.

MR. F. J. CAMPBELL, one of the former editors of this paper, has purchased a tract of land in the northern suburbs of town, on the Danville pike, and will at once erect a residence upon the same.

From his advertisement in our paper it will be seen that Rev. Mr. Barnes offers his delightful country cottage and grounds for sale. He does not intend to leave us however, of which all are glad.

We learn that the work on the C. & R. R. near Kentucky river bridge, is in rapid construction. Now that the right of way is granted all along the line, we hope to see the work completed, at least to the Cumberland river, by the 1st of March next.

Our readers will remember that about a year since the train ran over and killed Mark A. Watkins, near town. His administrator has sued the C. & R. R. Co. for large damages, in the Lincoln Circuit Court, and has employed a half score of lawyers to fight the case.

The colored church on top of Hall's Gap, through its trustees or consultants, has weeks ago from the general public to worship, them to finish their house of worship, which is about half completed. The public ought to contribute liberally, and we hope for the same.

The stone-pipe in the circuit court room, it is said, threatened to fall upon a poor jury, the other morning, and the Judge was compelled to adjourn court until some one was adjusted. It is that there would be no danger of having the heads of the jury broken by the threatened fall. All is lovely now, and the jury is safe.

We passed by Jim Ed Bradley's large new brick factory stable last Wednesday, and having heard of his handsome turnouts from the mouths of so many people, we concluded to drop in and see if it was true, and we assure the public that the half had not been told of the neat beauty and comfort of this stable.

A GENTLEMAN informed one of our reporters last Tuesday, that an attempt at robbery was made upon the person of a stranger who was going from Crab Orchard to Lancaster the day before. The would-be robber dived a pistol, but before he could induce the halted man to stand and deliver, another approaching party scared him off.

We learn from several legal gentlemen that the title to the coal lands in Pulaski county is not settled by a great deal, and that after the C. & R. R. shall have been completed to that point and below, the owners, or quasi owners of the same, will assert new or old sleeping claims, which will give rise to a multiplicity of suits and an almost endless litigation. So much the better for the legal fraternity.
